

JAGUAR UPDATE - JUNE 21ST

Happy last day for students!! Although we are all excited to begin our summer break, we are sad to say goodbye to our Jaguars. It has been a pleasure getting to know all our students this year, and we wish them the best of luck as they move upstairs to the 7th grade.

As we conclude our school year, please take the time to review our team and teachers websites for any pictures you may want. Also don't forget about our Advisory Rap Battles. See them all [HERE!](#) These will be up over the summer, and will be taken down the week before the next school year.

We wish you all a safe and relaxing summer break!!

Field Day
