

JAGUAR UPDATE - AUGUST 31ST, 2023

Happy Thursday to you all! We would like to share what took place on the Jaguar Team this week. To help encourage your child to share what is happening, we included some prompts to help spark the conversation. Have a great Labor Day weekend!

ELA *Ask Your Child About:*

- Students researched about mudlarking in London and were asked to have an independent book to read by Tuesday. I am excited to learn with our new Jaguars.

MATH

- In math, we have started with a pretest of math basics. This will show me where the students are at. Looking forward to working with all our new students this year.

SCIENCE

- We had a great start to the year, and have some fun things planned. We practiced giving details by drawing monsters :)

SOCIAL STUDIES

- We started by creating world maps from memory! Check in to see how they are doing.

MUSIC

- We talked about expectations, and it made me very excited about this quarter with the Jaguars! As about "Brand New Day" from The Wiz.
