Jaguar Student Planner

Friendly reminder that we have our daily planner which shows what your child is doing each day in school. It also shows any homework (**highlighted yellow**), as well as any upcoming assessments.

We highly recommend that you not only check this regularly, but also to have your child **SHOW** you their work. If you hear "I already did it," or "I did it at TLT," we would still recommend asking to see your child's work to help ensure the assignment is done.

*****JAGUAR Student Planner*****
Use this calendar to help keep yourself organized. Each day, follow your schedule. **HIGHLIGHTED** portion is for **HOMEWORK**

Remember to check the Jaguar TLT Doc to see if you have any missing or incomplete work!

Jaguar Student Shout Outs!

Every other week we like to highlight the great work our Jaguars are doing. Congratulations to this week's group!

Science - Eden Parshely - Eden asked to stay after school to continue practicing our recent topic of balancing chemical equations. Not only did she initiate this, but she kept asking for more practice work and problems until she felt confident. It's no surprise that she got an A+ on her final quiz!

ELA - Jackson B and Poppy B. Jackson is a polite and respectful student who helps create a collaborative and collegial classroom. Poppy is a thoughtful and caring student. She is insightful with her well-spoken comments during our class discussions.

Wellness - Lucy Macaluso - Lucy has been all business since she started Wellness class. She comes to class ready to learn and participate each and every day. Her spirit and enthusiasm brings a positive energy to class and she sets a great example for her classmates.

Math - Cullen Doherty - Cullen has done a wonderful job in both math and social studies. He knows all his states and capitals and did a terrific job on our constitution unit. In math, Cullen has strong perseverance and does his best on every assignment. He is a very positive member of the class and works well with all groups.

Well done!
