

JAGUAR UPDATE - FEB.9TH, 2024

Happy Friday to you all! We would like to share what took place on the Jaguar Team this week. To help encourage your child to share what is happening, we included some prompts to help spark the conversation. Have a great weekend!

ELA

Ask Your Child About:

- Presenting their mini-research slideshow on the AT with you.

MATH

- Hexagons: How they are solving percent equations.
- Penta/Octas: How they did on the unit rates test

SCIENCE

- The hands on labs they did this week. Which one did they enjoy the most?

SOCIAL STUDIES

- Landforms and water features.
- Which ones did they choose to highlight in their geography terms booklet?

ART

- To describe a trick for creating space in a 2D (flat) drawing.

Jaguar Student Shout Outs!

Every other week we like to highlight the great work our Jaguars are doing. Congratulations to this week's group!

Science - Chloe Dufresne - Chloe has been rocking science this quarter! Chloe has been putting in a lot of effort in class, and it shows with her assignments. Keep up the great effort Chloe!

ELA - Grady Kiernan - Grady has shown his perseverance in quarter 2 by working hard to improve his writing. He put in extra effort by staying after school and reworking his holiday paragraph. He came in on his own and stayed until his paragraph was done. Nice work.

Wellness - Hudson Beauchesne - Hudson has shown great growth during our time together! He has worked hard to be a positive member of class, always working hard and trying his best. He has a great attitude and has maintained an even keeled sense about him throughout.

Math - Poppy Brown - Poppy does a wonderful job in math class. She is always prepared and does well contributing to our discussions. She is very respectful to everyone in class. Poppy always has her work done and does it with high quality. Great job

Well done!
