# Hiking the A.T. - Journey of the Soul

Recently in Social Studies we have started learning about the Appalachian Trail. We are watching a video about a thru-hiker's experience along the way, and there are several meaningful messages the hiker is sharing about his journey. Please ask your child what messages or theme stands out to them,

as there are many our students are finding relatable.

## **Jaguar Student Shout Outs!**

Every other week we like to highlight the great work our Jaguars are doing. Congratulations to this week's group!

Science - Annabelle Foster - Super hard worker in science and social studies. Annabelle always puts in great effort, and participates well in our class discussions. Annabelle also is very helpful to those around her, and has a great positive mindset.

Wellness - June Kidd - June has been a wonderful member of Wellness class.

They are well behaved and works very hard to put their best effort into both their work and participation in our class activities. They are thoughtful of others and respectful to all representing themselves well at all times.

ELA - Harper Clark - Harper recently traveled to Costa Rica and came back with a writing journal filled with interesting entries capturing everywhere she visited, creative poems written, and a list of books she read while traveling. I very much enjoyed and appreciated her efforts in writing and reading while away!

Math - Harper McCarthy - Harper is a conscientious student who always puts in a great effort. She is insightful, seeing deeper into problems and how to solve them. Harper is very respectful and does a great job working with others.
