

JAGUAR UPDATE - JAN.26TH, 2024

Happy Friday to you all! We would like to share what took place on the Jaguar Team this week. To help encourage your child to share what is happening, we included some prompts to help spark the conversation. Have a great weekend!

ELA

Ask Your Child About:

- If they met their quarter 2 reading goal and what their quarter 3 goal will be.

MATH

- How they are doing with unit rates.

SCIENCE

- What evidence they believe supports the continental drift theory.

SOCIAL STUDIES

- What National Park they researched this week.

WELLNESS

- Which sense helps us to taste?

Jaguar Student Shout Outs!

Every other week we like to highlight the great work our Jaguars are doing. Congratulations to this week's group!

Science - Rowen Jackson - Rowen has been making some great changes in class lately and his success is showing! Rowen did a challenge project all on his own, has been more focused in class, and working on his HOWL's. Keep up the great work Rowen!

ELA - Owen Allen - Owen has shown a great deal of growth in his responsibility during quarter 2. His efforts to complete work independently and read more at home have not gone unnoticed. This is what perseverance looks like. Kudos!

Wellness - Quinn Garon - Quinn is someone who looks to do the right thing and makes the effort to guide her classmates towards doing the same. She is always willing to help out when needed and is a great member of Wellness class. Her performance in all aspects of class is top notch.

Math - Grant Farrington - Grant has been working very hard in math. He has come for extra help after school and it has helped greatly. Grant is always respectful and works his hardest on all assignments. Keep up the great work Grant!

Well done!
