

JAGUAR UPDATE - MAR.29TH, 2024

Happy Friday to you all! We would like to share what took place on the Jaguar Team this week. To help encourage your child to share what is happening, we included some prompts to help spark the conversation. Have a great weekend!

ELA

Ask Your Child About:

- What place around the world they researched in the library this week.
-

MATH

- How to write an algebraic expression.
-

SCIENCE

- How they did on their moon phase test?
 - What hypothetical situation did they write about?
-

SOCIAL STUDIES

- The new map-making project we started this week.
 - The University of Southern Maine Osher Map Library annual map-making contest.
-

ART

- What does Art Critique look like in 6th grade?

Important Dates

Sun. March 31st - Easter Sunday!

Mon. April 8th - Total Solar Eclipse

Wed. April 3rd+10th - Spring Student Conferences

Fri. April 12th - No School

April 15th - 19th (April Break - No School)

The Importance of Resilience

School presents obstacles and challenges for kids. Learning how to overcome these obstacles takes time, patience, and experience. These are the lessons we have been actively working with our Jaguars this year. It's not always comfortable or fun, but its very important for our kids to learn how to be resilient in times of difficulty. Check out the linked article about resiliency, and things you can do at home to continue this message.
