

JAGUAR UPDATE - SEPT 29TH, 2023

Happy Friday to you all! We would like to share what took place on the Jaguar Team this week. To help encourage your child to share what is happening, we included some prompts to help spark the conversation. Have a great weekend!

ELA *Ask Your Child About:*

- What things are needed to write a good paragraph.

MATH

- How they are doing multiplying fractions and mixed numbers.

SCIENCE

- How they did on their Air Quality Unit 1 quiz on Wednesday...do they need a retake?

SOCIAL STUDIES

- What it means to be a citizen.
- What right and what responsibility they have in Maine.

MUSIC

- What they learned from all of the different musician slideshows they saw this week.
- The subject of their lyrics that they have started.

Important Dates

Oct.3rd - Math NWEA Test

Oct.4th - Reading NWEA Test

Oct.6th - Teacher Workshop Day (No School)

Oct.9th - Indigenous People's Day (No School)

NWEA Oct.3rd+4th

We will be holding the Math and Reading NWEA next week. The testing window is 75 minutes, and will start promptly at 8:00am. Please make sure your child is here on time, and has a filling breakfast!

Jaguar Student Shout Outs!

Every other week we like to highlight the great work our Jaguars are doing. Congratulations to this week's group!

Science - Linnea C

Thank you Linnea for all your hard work and positivity. Linnea is an active listener and contributor to our class discussions, and turns in quality work on time. Keep up the good work!

ELA - June Kidd

June has shown her HOWLS since day one of school. Her respectful and responsible nature has been noted and appreciated. I know she will do well this year and allow others to do well also.

Music -Harper Clark - Harper does every assignment with thoughtful precision, meticulous attention, and with every inch of her focused, mature, and with her best foot forward. Even the smallest assignment she remembers to turn in, even when she is home sick. She asks quality questions that help the whole class, she has a great attitude every day when she enters class. She gets along with everyone, and makes me feel like continuing to teach for a long, long time. Thank you Harper for your maturity,

Math - Nolan Thompson - Nolan had been on top of his math work so far this year. He is conscientious in doing his work and doing it as best as he can. He asks good questions and stays focused on his work. I know he will have a great year in math.

Well done!
